Community learning disability service in Teesside for adults

Information about the community learning disability service for adults in Teesside

Information for service users, families, carers and supporters

The community team will help you to stay healthy and can help you with any problems you may have.

The community team will:

- visit you regularly
- talk about how you are feeling
- agree a care plan with you and keep this up to date
- support and help you with your needs.

We work closely with other professionals to care for you.

For example, we may arrange for you to see a:

- social worker
- speech and language therapist
- or an occupational therapist.

If you would like support from the community team you can contact us by telephone or in writing.

Other people can do this for you, for example your GP, family members or carers.

If you are unhappy about our services...

Please tell a member of staff.

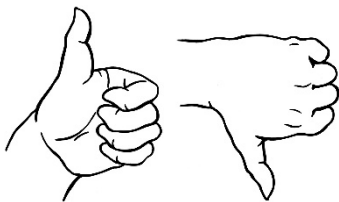

Freephone 0800 052 0219 or
